## EXPERIENCE

### Frontend Tutor

#### Flip To Tech

01/2024 - Present Isheri, Lagos

- Mentored students in frontend development, UI/UX design, and best industry practices.
- Provided hands-on guidance in HTML, CSS, JavaScript, React.js, and design tools like Figma.
- Developed interactive learning materials to enhance students' understanding of modern web technologies.
- Assisted in real-world projects, ensuring students gain practical experience

### Freelance

#### Upwork

06/2022 - 07/2023

- Developed and maintained responsive, interactive web applications using **React.js, Tailwind CSS, and JavaScript**, ensuring optimal performance and usability.
- Designed and implemented **modern UI/UX experiences**, focusing on user-centric designs, accessibility, and mobile responsiveness.
- Created engaging **brand identities, logos, and marketing materials** that align with client requirements and business goals.
- Optimized website performance and implemented best practices for **SEO, accessibility, and web security**.
- Collaborated with developers, marketers, and clients to **translate ideas into functional and visually appealing designs**.
- Designed wireframes and prototypes using **Figma and Adobe XD**, improving user journey and interface consistency.
- Managed multiple projects simultaneously, delivering high-quality solutions **within deadlines**

### Graphic Designer (Contract-Based)

#### De Green House Company |

2024 - 2025 Cele Egbe Lagos

- Designed product label branding to establish a strong and consistent visual identity.
- Created high-quality, market-ready designs that aligned with the company's branding strategy.
- Collaborated closely with stakeholders to ensure brand consistency and appeal.

## EDUCATION

### High School Diploma

#### Ulysses

01/2017 - 01/2021 Lagos, Nigeria

## PASSIONS

### Building Interactive Web Applications

I love creating engaging and interactive web applications that provide a seamless user experience.

### Reading Tech Blogs

I enjoy staying current with industry trends and technologies by reading various tech blogs and articles.

### Hiking

In my free time, I enjoy hiking and exploring nature, which helps me stay refreshed and inspired.
